The guest speakers will be outgoing Jefferson County Board of Education board member Karen Nix and Oscar Mann, who will be taking her position on the board. Each candidate will have a few minutes to speak, and then after the forum each candidate will be available to meet the public individually.

Mr. Kermit Dooley said some of the audience members are not able to hear the mayor and council members when they are speaking during the council meetings. He asked if Mayor Phillips would ensure that the speaker system is turned on during future council meetings.

Mr. Mark Cornelius, resident of Phillips Drive, noted that Phillips Drive has been re-opened and asked about the status of this road. Mayor Phillips said he would speak to Mr. Cornelius after the council meeting about his question. Mr. Cornelius then asked if speed control devices, such as speed bumps or speed tables, can be installed if the road remains open. He also complained about a couple of lots that are overgrown with weeds. He also complained about garbage that has accumulated at 4898 Phillips Drive, which he said is a vacant rental property. Mayor Phillips said the Inspections department will investigate these complaints.

Mrs. Judy Brown, 1545 Mount Olive Road, complained about a stormwater drainage problem that she said has destroyed a portion of her property. After describing the details of the problem, Mayor Phillips asked Public Works director Jeff Holliyan and Inspections superintendent Robert Ryant to speak with her and check on the situation in more detail.

Mr. William Flippo, 625 Beasley Road, addressed Mayor Phillips to dispute some financial figures that he said were included in Mayor Phillips' automated campaign phone calls. Mayor Phillips disagreed with several statements made by Mr. Flippo.
